Our global client with a rapidly growing facility north of Atlanta, GA has an **IMMEDIATE NEED** for a **Maintenance Manager**. The successful candidate will have 3 – 5 years' work experience as a Maintenance Engineer. Local candidates preferred, but relocation assistance may be possible for the right person.

The **MUST HAVE REQUIREMENTS** for this position are:

- * BS in Mechanical or Electrical Engineering, or equivalent
- * 3 -5 years' experience as a Maintenance Engineer in a manufacturing environment
- * A history of Job Stability
- * Experience with heavy food / beverage production equipment
- * Experience in hydraulics and fluid movement
- * Experience using MAXIMO / MP2 / or similar, CMMS (Computerized Maintenance Management Software)

PLUSSES in this position are:

- * Experience using Project Management software
- * Experience using CAD software
- * Knowledge of Six Sigma methods
- * History of Predictive Maintenance techniques
- * Knowledge of HACCP Management System (Hazard Analysis & Critical Control Points)
- * Bilingual / Trilingual: English / Spanish / German
- * Advanced degree

Reporting to the **Plant Engineer**, the **RESPONSIBILITIES** of this position include, but are not limited to:

- * Supervision of Maintenance Techs, Planners, Schedulers, and outside Contractors
- * Inspect all areas of the facility on a regular / scheduled basis for maintenance, upkeep, & safety issues
- * Manage minimum / maximum spare parts inventories
- * Maintain status files on all existing and new equipment
- * Use Predictive Maintenance techniques to insure production capabilities
- * Direct, maintain, & enforce safety, & HACCP Management System (Hazard Analysis & Critical Control Points) policies

If you meet these requirements and wish to be considered for this position, send your résumé to us in a Word document at Resumes@PinnaclePlacementGroup.com mentioning the **Job ID** and the **Job Title** in the subject line of your email.

In your email or cover letter, please provide us a short narrative detailing your experience and expertise as it applies to this position. Also, please provide us with your *MINIMUM* salary requirements.
