

**Job ID:** DJ030413A  
**Job Title:** Civil Engineer  
**Degree Requirements:** Bachelor's Degree in Civil Engineering for an Accredited Institution  
**Years of Experience:** 2 - 25  
**Type of Position:** Direct Hire  
**Location:** Central US  
**Salary Range:** Depends on Your Experience and Expertise  
**Travel Required:** 10%

**JOB DESCRIPTION:**

A well-respected customer located in the central United States has asked us to locate a Civil Engineer for a nuclear plant in the Midwestern United States. This Direct Hire position will handle small to moderate size engineering projects, ensuring projects meet nuclear plant requirements. The Civil Engineer will provide support to other engineers and groups in areas of expertise as called upon. This is an entry-level position and ladder engineering positions leading to a career level position.

**RESPONSIBILITIES:**

- To develop, and implement procedures, programs, specifications and engineering methodology to meet industry standards, regulatory and company guidelines
- To evaluate plant systems and its components to ensure they are capable of performing their license and design base functions
- Approve procedures, specifications, regulatory screens, safety evaluations, change packages, calculations, and other engineering documents
- To manage engineering program budgets and schedules
- Perform independent reviews and analysis of industry operating experience, reportable events, NRC issuances and other sources of plant operating experience information to identify areas of improving plant safety and reliability
- To perform other duties as required

**MUST HAVE REQUIREMENTS:**

- BS degree in Civil Engineering from an accredited institution
- BS degree in Civil Engineering with 2 years of experience in the nuclear industry is preferred, not required
- Great communication skills
- Able to meet established deadlines
- **Must be a US Citizen**

**Benefits:**

- Insurance
- Vacation
- Relocation Package
- And more

If you meet these requirements and wish to be considered for this position, send your résumé to us in a Word document at [Resumes@PinnaclePlacementGroup.com](mailto:Resumes@PinnaclePlacementGroup.com) mentioning the **Job ID** and the **Job Title** in the subject line of your email.

**In your email or cover letter, please provide us a short narrative detailing your experience and expertise as it applies to this position. Also, please provide us with your MINIMUM salary requirements.**
